## President's Table

It's time to start thinking about holiday gift ideas. We've got everything you need to serve a stress-free Thanksgiving meal. (Yes, the holidays are just around the corner.) From full Deluxe Thanksgiving packages for 6 or more, to smaller, more intimate turkey dinners for one or two. Whether you're buying for yourself or for a friend or relative who can't cook this year, we encourage you to order early due to delays in the supply chain, otherwise you may miss out on items you want!

Our holiday meals are ready to order! Make your Thanksgiving easy this year, just reheat, sit back and enjoy more time with family and friends. If you're doing a zoom Thanksgiving, these are the perfect options to send to people far and near.

We're excited about some changes we've made to the website for the holiday season. New meal bundles are available, and Thanksgiving meals are ready to ship!

Throughout the years, MagicKitchen.com has steadily worked to grow and diversify our products and services for our customers. That's why we're adding a MagicKitchen.com app! You'll be able to download it to your phone and it will make ordering even easier! We're hoping to have this out by mid-November.

Don't forget to include us in your weekly meal plans! You'll thank yourself when you have a ton of homework to help with, late nights out at your child's soccer practices, or late work nights. Don't stress - we've got lots of ideas to make the meals you eat this fall and holiday season delicious and hassle free!

Don't forget we have two menus, a la carte and complete meals. And we have no contracts or commitments, order what you like and pay as you go!

## Fall and Winter Favorites

When fall's crisp days and chilly nights arrive, we find ourselves craving soul-satisfying comfort food. Fortunately, the talented chefs at MagicKitchen.com have been busy cooking up a huge selection of stick-to-your-ribs, stomach-warming dishes. Check out the selection below!

### California Beef Stew

Our premade California beef stew features tomatoes, red wine and mirepoix to flavor and enrich the gravy. The beef is mouth-wateringly tender, the sauce rich and flavorful.

### Boneless Braised Beef Shortribs (Sous Vide)

We take aged USDA-graded beef short ribs, hand season and oven sear them, then cook them slowly in a veal demi-glace until they are tender and simply scrumptious. Put the package in some simmering water for a short time and they're done!

### Braised Lamb Shank (Sous Vide)

Hand seasoned and oven-seared, then cooked slowly until perfectly fall-off-the-bone tender. You just heat and eat for a gourmet experience!

### Prime Rib Beef & Gravy with Pearl Onions & Mushrooms

Serve this comfort food alongside our Magic Mashed Potatoes for a truly mouthwatering meal. Tender chunks of prime rib roast prepared with pearl onions and mushrooms in a rich dark gravy. Magic Skillet meals make for easy prep and clean up. A customer favorite!!

### Seafood Paella

Stun your guests with this authentic Spanish paella. Ready in minutes from frozen. Shrimp, calamari, mussels and scallops in a rice dish straight out of Spain. Your family and guests will love this rich seafood classic. And you'll love how easy it is!

## Holiday Gift Ideas

We all know people who could use a little comfort and joy in their lives this time of year. Home-delivered meals make wonderful and original gifts, because they say, "Don't worry about a thing. Snuggle up by the fire. Eat. Enjoy."

When you're looking to give a thoughtful gift, look no further than MagicKitchen.com's selection of meal options. Consider ordering a meal bundle for aging relatives who no longer cook for themselves or a selection of holiday meals for family members who can't make it home for the festivities this year. (See more on how to do this below).

We're the perfect gift for the distant relative, the office Secret Santa, or that hard-working professional who makes your life easier all year around (think hairdressers, real estate agents, clients, and teachers). Display your gratitude by giving them a little break from the kitchen.

Everyone has a few challenging individuals to shop for on their list, whether that person is a spouse, a parent, a teacher or a distant relative. What better way to please these individuals than to give them a gift certificate of meals from MagicKitchen.com?

Gift certificates allow those tough-to-buy-for people to satisfy their culinary cravings on your dollar, and still show that you are thinking about them (and their bellies) this holiday. Once the certificate arrives, they'll thank you for giving them a break from the kitchen and a delivery of delicious meals from MagicKitchen.com.

## Feeding Special Needs Guests

More and more people are adjusting their diets, either becoming vegetarians, or responding to doctor's advice to eat healthier, or even needing special diets for medical reasons.

It's become hard to invite guests to a holiday party and meet everyone's dietary needs. For that very reason, MagicKitchen.com has created meal options for everyone from diabetics to guests who are allergic to gluten or dairy.

Folks with food allergies will love our dairy free meals like our Verdura Gourmet Artisan Flatbread with Kalamata Olives, or Chicken Tortilla Soup and gluten-free dishes like our rich Chicken ana Luisa or Scallops Carbonara; vegetarians will enjoy the authentic flavors of our Eggplant Parmigiana or Fire-Roasted Vegetables en Croute. We've got a dish for every diet, and we guarantee that your guests without special needs will love these picks too!

For people in need of medical diets, such as diabetes or renal meals, or people who want to watch their portion control, we have complete meals to cover that.

Check out our Signature Meals line of complete meals. Look for the symbols that indicate which diets the meals are appropriate for. For instance:

Means Diabetic-Friendly

Means Renal-Friendly

Means Dialysis-Friendly
